Polaroid's tiny instant camera is \$72 and includes a free pack of film

SMARTPHONE CAMERAS ARE CONVENIENT, but they lack the charm of analog instant cameras. If you're trying to relive the nostalgia of waiting for an instant

photo to develop, Amazon is selling the second-generation Polaroid Go instant camera with a 16-photo film pack for \$71.99 (usually \$109.99). That's the lowest price...

Have a laugh at AI's expense by roleplaying as a chatbot

Your AI Slop Bores Me is brilliant in its simplicity. There are two tabs: human and LARP as an AI. On one side you enter a request. On the other, you submit an answer. But the important thing is that there's a human on both sides of the equation. Prompts can request a response as [...]
