AN IT & TECHNOLOGY DAILY — AUTOMATICALLY COMPILED

LEAD STORY · AI & MACHINE LEARNING

Learning to use local AI is exciting, overwhelming, and frustrating

I'M EMBARKING ON A journey I've so far been hesitant to go on: actually using AI on the regular. Giving my most personal data to cloud services has been a major hold up for me, but it's increasingly possible to run powerful models locally to see what they're capable of. Is this tech so useful […]
